Dear Michael,

Congratulations! The Central Indiana Chapter has qualified for the CPCU Society's Continuing Professional Development (CPD) Excellence Award. Your CPD Excellence ribbon is enclosed.

This award recognizes CPCU chapters with at least 20 percent of their active membership (or 50 members if less than 20 percent) qualified for CPD recognition. The Award is based on the number of CPD-qualified members in your chapter as of June 30, 2007.

Please display your chapter's CPD Excellence ribbon prominently at chapter events this year and encourage your members to continue their professional development and to participate in the CPD program. CPD information and an on-line application are available on the Society's website. Please provide your members with this information in your president's messages, through announcements at chapter events, and by posting a link on your website.

Thank you for all your efforts to encourage excellence in education. Best wishes for another successful chapter year!

Sincerely,

A handwritten signature in black ink that reads 'Betsey L. Brewer'. The signature is written in a cursive style with a large, prominent 'B'.

Betsey L. Brewer, CPCU
2006-2007 President
